

POISON TIC-TAC-TOE

I-800-222-1222

Find the things in this tic-tac-toe that are NOT safe to eat and drink and put a small "X" in the corner of each picture. Then find the things that ARE safe to eat or drink and put a small "O" in the corner. Then color the coloring sheet any way you like.
Did you "win" the game of tic-tac-toe?
