

12 Dangers of Carbon Monoxide This Holiday Season

58 NJ Residents Exposed
This Holiday Season

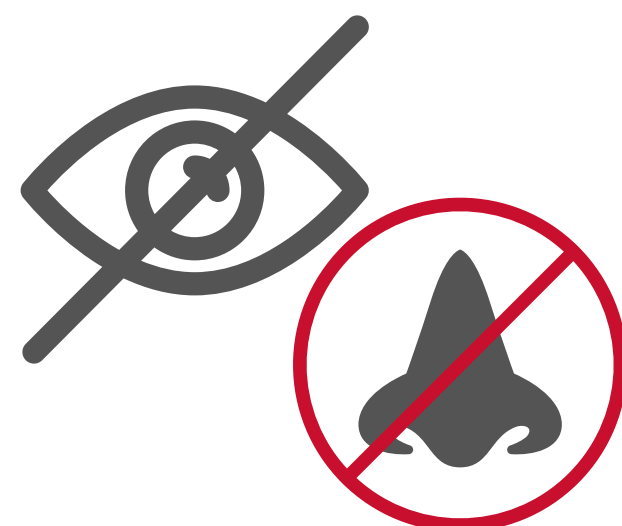

CO POISONING: THE SILENT KILLER

WHY IT MATTERS:

Hundreds Treated Every Year in
Hospital Emergency Departments

Everyone
is at risk

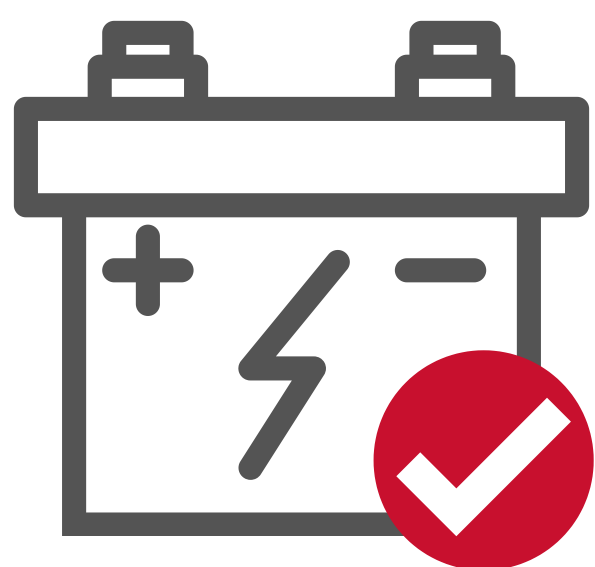

Invisible
and odorless

Symptoms
mimic the
flu or COVID

CO detectors
save lives.

Test batteries
twice a year

Never use
generators
indoors

Vacation
rentals may
lack detectors

Keep vents
and chimneys
clear

Alarm sounds? Get outside to fresh air!
